# Thinking About School:

Practical Ways to Pray, Care, and Share During the COVID-19 Crisis

**Psalm 91:2 (NIV)** “I will say of the Lord,  
“He is my refuge and my fortress, my God, in whom I trust.”

## Pray

- Pray for COVID-19 to subside so school life and in-school education may resume.
- Pray for everyone’s health and recovery for those infected with COVID-19.
- Pray for those impacted financially by this incident.
- Pray against hopelessness, loneliness, and despair.
- Pray for Christian students and adults to be “salt and light” in this season.
- Pray for peace and encouragement in the midst of this storm.
- Pray for the effects of this incident on families.
  
- Pray for Students
  - Adapting to going to school online.
  - Isolated from friends and support.
  
- Pray for Coaches
  - Isolated from their teams.
  - Loss of the Spring sports season.
  
- Pray for Administrators
  - Leading thru rapid change.
  - Wisdom in making decisions, leading effectively, and communicating with others.
  
- Pray for Teachers and Staff
  - Leading/teaching in a virtual school environment.
  - Adapting to the ever-changing duties that they face.

## Care

- Connect with school district administration and communicate that the church is praying for and has a desire to assist. Example: Does the school need volunteers to help with any school functions even though the school is not physically open? Volunteers to package and/or deliver meals to students that are a part of the school's food program?
- Collect specific ways the church can be praying for the school leaders. Connect weekly by email for an updated list of prayer points.

## Share

- Take a moment to personally pray with and share encouragement with students, coaches, administrators, teachers, and staff.
- Take the opportunities God provides to have spiritual conversations and intentionally share the gospel with others. To help you do this, check out this new resource - *Alive in 5* - at <https://youth.ag.org/Participate/Youth-Alive/Alive-in-5>
